30th

Hi Mike, see attached please.

1. Great job on the addition...looks great...you'll see when you come by for the Final Inspection.
2. I have a check for you to pay off the balance...can give it to you this week.
3. Can you please get Gutterworks to finish the gutters...(they'll have to be careful not to cover the window with the downspout as the corner of the building and drain in ground line up right over the window (they'll have to elbow around it).
4. The Landlord in Anaheim wants a quote from you on all the scope of work he is responsible for, as I told him it would be better to have a single contractor do all the work, both ours and his rather than having our contractor and his tripping over each other..

Finally, Sherri and I would like to take you and Patti out for dinner. We were thinking of the Charthouse, Cardiff, one of our favorite restaurants on the beach. Sherri is going up to Seattle this weekend, but 29th or 30th (Friday or Saturday), June 5 or 6, or 12 or 13. If none of these dates work, can you suggest another? Even during the week would be fine, if we make it early (eg. 6:00pm on a Thursday?). We want you to bring Patti by the house first for a drink, so we can show her what an amazing job you did on our house. Let us know.
